ADVICE

YOUR ACTIVITIES ARE VITAL TO YOUR WORK WE TAKE TIME TO UNDERSTAND YOUR WORK;
THIS IS THE FIRST KEY TO OUR SUCCESS

YOUR INSURANCE BROKER

We are an ethical, Christian based insurance broker specialising in the voluntary sector. We focus on providing protection for your assets, liabilities, volunteers and employees through the provision of secure insurance cover.

Throughout the United Kingdom, Access are trusted to act for a wide range of charities, churches and voluntary groups including community centres, drug rehabilitation units, offices, radio stations, and projects providing shelter for the homeless.

Access is one of a relatively small number of intermediaries who have underwriting and insurance broking skills. These skills provide us with a valuable insight which enables us to present and market your insurance more effectively.

We are passionate about customer service, preferring to specialise rather than being “all things to all men”.

HOW WE WORK FOR YOU

Whether you are a charity, church, company limited by guarantee, not for profit group or voluntary organisation; Access will undertake a risk analysis of your special needs.

Think of Access as a department of your own organisation. We are here to help you purchase insurance solutions to meet your needs, but we do not stop there. We will help you at all times and assist in the event of a claim.

We aim to provide you with the optimum solution of cover, risk analysis and professional advice. We make premium savings wherever possible by providing the best combination of discounts.

At Access, because we are independent, we will always give you totally unbiased advice. We act to represent your interests, not those of the insurance companies.

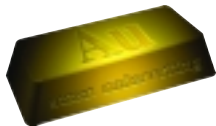

SIMPLE TAILOR-MADE SOLUTIONS

As you may expect, we are able to advise on tailor made insurance protection across a broad range of risks including:

- ◆ Property - buildings, contents, stock, equipment and money;
- ◆ Liability - public, products, property owners and employer's;
- ◆ Interruption costs and income protection;
- ◆ Fidelity Guarantee;
- ◆ Trustee Indemnity, Professional and Management Risks;
- ◆ Media risks;
- ◆ Fleet;
- ◆ Travel.

Please keep this brochure to hand. There is no need to wait until your existing renewal; contact us now to review your insurance programme:

A review before your renewal is not time wasted. We may well identify areas where you could be better protected.
